Agroecology Europe Youth Network in collaborazione con Valdibella Cooperativa Agricola, la Schola Campesina e Associazione Aterraterra organizza:

PARTICIPATORY WORKSHOP SOVRANITÀ DEI SEMI: SOLO UN SOGNO

Esploriamo con la Cooperativa Valdibella e l'Associazione Aterraterra come raggiungere la sovranità dei semi localmente e discutiamo con esperti le prospettive a livello globale.

Tra i più discussi e controversi problemi dell'agricoltura moderna vi è l'approvvigionamento dei semi ed il fatto che i produttori non possono produrre le proprie sementi, dovendo dipendere da multinazionali. In questa giornata discuteremo una domanda semplice ma dalla risposta non altrettanto lineare: come ottenere un'agricoltura libera da brevetti?

Quando?

Sabato 22 Ottobre 2022 dalle 9.00 alle 17.00

Dove?

Valdibella Cooperativa Agricola
Via Belvedere, 91, 90043 Camporeale PA
